

§ 1410.10

share paid under such contract, including cost-share assistance paid when the original cover was established, may not exceed the amount by which CCC would have paid had such land been originally devoted to such new conservation measures.

(d) For any contract modified under this section, the participant must participate in the Forest Stewardship Program (16 U.S.C. 2103a).

§ 1410.10 Restoration of wetlands.

(a) An owner or operator who entered into a CRP contract on land that is suitable for restoration to wetlands or that was restored to wetlands while under such contract, may, if approved by CCC, subject to any restrictions as may be imposed by law, apply to transfer such eligible acres subject to such contract that are devoted to an approved cover from the CRP to the WRP. Transferred acreage shall be terminated from the CRP effective the day a WRP easement is filed. Participants will receive a prorated CRP annual payment for that part of the year the acreage was enrolled in the CRP according to §1410.42. Refunds of cost-share payments or applicable incentive payments need not be refunded unless specified by the Deputy Administrator.

(b) An owner or operator who has enrolled acreage in the CRP may, as determined and approved by CCC, restore suitable acres to wetlands with cost-share assistance provided that Federal cost-share assistance has not been received for wetland restoration on the same land. In addition to the cost-share limitation in §1410.41, an additional one-time financial incentive may be provided to encourage restoration of the hydrology of the site.

§ 1410.11 Farmable Wetlands Program.

(a) In addition to other allowable enrollments, land may be enrolled in this program through the Farmable Wetlands Program within the overall Conservation Reserve Program provided for in this part.

(b) As determined by the Deputy Administrator, owners and/or operators may enroll cropland that has been planted or considered planted to an agricultural commodity, as defined in

7 CFR Ch. XIV (1-1-06 Edition)

§1410.2 in three of the ten most recent crop years, provided that the cropland:

(1) Is a wetland, including a converted wetland, as determined by CCC, that does not exceed the size limitations of this section; and

(2) Subject to other provisions of this section, is buffer acreage that provides protection for and is contiguous to the wetland.

(c) An owner or operator may not enroll in this program any wetland, or land in a flood plain, that:

(1) Is located adjacent to a perennial riverine system wetland as identified on the final national wetland inventory map of the Department of the Interior; or

(2) Is located adjacent to a perennial stream identified on a 1-24,000 scale map of the United States Geological Survey, when the area is not delineated on a final national wetland inventory map.

(d) Total enrollment in the CRP under this section shall not exceed 1 million acres.

(e) The maximum size of a wetland enrolled under this section shall be 10 contiguous acres of which only the first 5 acres shall be eligible for payments.

(f) The maximum size of any buffer acreage described in paragraph (b)(2)(ii) of this section shall be the greater of:

(1) An area three times the size of the wetland described in paragraph (b)(1) of this section; or

(2) An area that continues no more than 150 feet from the edge of the wetland.

(g) The maximum total acreage enrolled in the CRP under this section, including any wetland and buffer acreage described in paragraph (b)(2) of this section, in a tract, as determined by the Deputy Administrator, of an owner or operator, is 40 acres.

(h) All participants subject to a CRP contract under this section must agree to restore the hydrology of the wetland described in paragraph (b)(1) of this section to the maximum extent possible, as determined by the Deputy Administrator, in accordance with the FOTG.

§ 1410.21

(i) Offers for contracts under this section shall be submitted under continuous signup provisions as authorized in § 1410.30.

(j) Except as otherwise determined by the Deputy Administrator, all other requirements of this part shall apply to enrollments under this section, and the Deputy Administrator by contract or otherwise may add such other requirements or conditions as are deemed necessary. Such additional conditions include but are not limited to payment limitations, adjusted gross income limitations, and limitations on the amount of acreage that can be enrolled in any one county.

§§ 1410.12–1410.19 [Reserved]

§ 1410.20 Obligations of participant.

(a) All participants subject to a CRP contract must agree to:

(1) Carry out the terms and conditions of such CRP contract;

(2) Implement the conservation plan, which is part of such contract, in accordance with the schedule of dates included in such conservation plan unless the Deputy Administrator determines that the participant cannot fully implement the conservation plan for reasons beyond the participant's control, and CCC agrees to a modified plan. However, a contract will not be terminated for failure to establish an approved vegetative or water cover on the land if, as determined by the Deputy Administrator:

(i) The failure to plant or establish such cover was due to excessive rainfall, flooding, or drought;

(ii) The land subject to the contract on which the participant could practicably plant or establish to such cover is planted or established to such cover; and

(iii) The land on which the participant was unable to plant or establish such cover is planted or established to such cover after the wet or drought conditions that prevented the planting or establishment subside;

(3) Establish temporary vegetative cover either when required by the conservation plan or, as determined by the Deputy Administrator, if the permanent vegetative cover cannot be timely established;

(4) Comply with part 12 of this title;

(5) Not allow grazing, harvesting, or other commercial use of any crop from the cropland subject to such contract except for those periods of time approved in accordance with instructions issued by the Deputy Administrator;

(6) Establish and maintain the required vegetative or water cover and the required practices on the land subject to such contract and take other actions that may be required by CCC to achieve the desired environmental benefits and to maintain the productive capability of the soil throughout the contract period;

(7) Comply with noxious weed laws of the applicable State or local jurisdiction on such land;

(8) Control on land subject to such contract all weeds, insects, pests and other undesirable species to the extent necessary to ensure that the establishment and maintenance of the approved cover as necessary or may be specified in the CRP conservation plan and to avoid an adverse impact on surrounding land, taking into consideration water quality, wildlife, and other needs, as determined by the Deputy Administrator; and

(9) Be jointly and severally responsible, if the participant has a share of the payment greater than zero, with the other contract participants in compliance with the provisions of such contract and the provisions of this part and for any refunds or payment adjustments that may be required for violations of any of the terms and conditions of the CRP contract and this part.

§ 1410.21 Obligations of the Commodity Credit Corporation.

CCC shall, subject to the availability of funds:

(a) Share up to 50 percent of the cost with participants of establishing eligible practices specified in the conservation plan at the levels and rates of cost-sharing determined in accordance with the provisions of this part; and

(b) Pay to the participant for a period of years not in excess of the contract period an annual rental payment, including applicable incentive payments, in such amounts as may be specified in the CRP contract.
